November 2018

Warm greetings to friends, alumni, and prospective outdoorsmen!

Plan now to gather with the fellas up north and catch a few (hundred) big walleyes! Why not spend some quality time with God in His great outdoors. Why not create lifetime memories and stories of your very own that you can share around that fireplace. Contact Success Through Scriptures and reserve your boat seat for the trip of a lifetime!

Bill Abeler took that kind of a trip in 2009. He had so much fun on that trip that the next year he led a group of friends back so they could experience it on their own! Bill is the Executive Director of Camp Lebanon Christian Camp in Upsala, MN. "I heard the stories of the massive number of walleyes being caught in Crow Duck and could only hope they were even half true," he recalled. "The first year my brother and I caught 150 walleyes in three days of fishing and that was in some of the toughest walleye conditions STS has ever encountered."

In addition to excellent fishing and first-class service from the Crow Duck staff, Bill's group also enjoyed some great studies in Proverbs, delicious food ("We were treated like royalty!"), and an awesome experience in God's creation. There was no shortage of stories to tell when they gathered back around the campfire each night.

How about you? Are you ready for a retreat like that? Please consider this your invitation to reserve spots for the next STS Crow Duck Lake Retreat. Come and spend some memorable time in God's great outdoors with the guys! Make 2019 the year of memories for your family and friends!

As we begin our 14th year in this outdoors ministry, God continues to bring men of all ages and backgrounds together for fellowship, fishing, pheasants, snowmobile, camp, canoe, Manitoba Trap Line snowmobile trip, or Voyager National Park Snowmobile Retreat, but most of all to get to know Him better through His word. He continues to bless the ministry with resources, participants, leaders and new retreat themes and locations. We continue striving to bring Him honor and glory by all that we do, including enjoying His creation! It is our prayer that you, your friends, or your church men's group can join us for a retreat in 2019 that would make a positive difference in your lives!

We expect that it could possibly become more difficult for you to get a spot reserved in 2019 at Crow Duck Lake Camp. Word is getting out to a wider group of outdoorsmen through many advertising avenues and we expect the limited retreat spots on Crow Duck Lake to fill up earlier and faster than previous years. Please check out stsretreats.org for retreat information, pictures, and video. On the Website site look for the yellow colored box with 2019 Retreat Costs & Info.
